1°)- Monday afternoon: Museum of Alps minerals and fauna

This museum promotes the discovery, understanding and responsible use of the natural world. Enjoy and explore our world-class collections presented in exceptional exhibitions. Grenoble Natural History Museum is one of the largest museums in Europe.

Price: 25 Euros

2°)- Tuesday all day: The little Train of la Mure

30 kilometres of railway built right into the mountain side, 142 bridges and earthworks, 18 tunnels, 122 bends revealing breathtaking views.... All on board for nearly two hours of surprises and thrills! Commissioned in 1889 after four years of gigantic work, the narrow-gauge railway is used today for the pleasure of tourists. The former coal train, winding its way between the mountains, high above gorges and lakes, is a real time machine .

Price: 40 Euros.

3°)- Wednesday afternoon: Old City and Fort de la Bastille

Guided tour of Grenoble's fortress with the téléphérique

The ancient fortifications of the Bastille, at the foot of the Chartreuse massif, tower over the Grenoble area. This is now one of Grenoble's top tourist attractions, offering breathtaking all-round views of the city and the surrounding mountains. Since 1934, the Bastille site has been linked to the city by what at the time was Europe's first cable-car in a town centre. The short breathtaking ride in the "Eggs" sweeps visitors up to the viewing platforms, discovery trails around the fortifications, recreation areas, café, restaurant, footpaths and fitness circuits..

Discovery of the old city:

You will be charmed while traversing 2000 years of history through the pedestrian way in the heart of Grenoble, old capital of Dauphiné; discover its Roman rampart, its private hotels, its Gothic interior playgrounds...

Price: 35 Euros

4°)- Thursday afternoon: Visit of the castle of Sassenage and Old City

The castle of Sassenage.

Remarkable residence of the XVII° century was the place of residence of Béranger-Sassenage. A sober architecture, from Louis XIII's style, with one of the most beautiful main staircases of the XVII° century in Dauphiné.

Visit-walk in the old center of Sassenage.

The town of Sassenage testifies to a rich and glorious past thanks to the marquis of Béranger-Sassenage, whose ancestors settled here as of the High Age Means and rebuilt the castle in 1666.

The old city has preserved its charm of the past. The old houses with the white stones, the narrow lanes, the castle and the Roman church invite you to a pleasant walk through the centuries.

Price: 45 Euros

RESERVATION HOTEL (optional)

Reservation conditions: Atout Organisation Science (AOS) is the conference agency handling hotel reservations. As August is an extremely busy period in Grenoble, a large number of hotels at different price categories has been selected to accommodate delegates. AOS has made arrangements to get the best discount. Rooms will be allocated on a "first come – first

served" basis. Please reserve your accommodation early to avoid disappointment! Reservations will only be guaranteed upon receipt of a deposit corresponding to one hotel night + a 14-Euro booking fee per room. All hotel accommodation expenses must be paid for upon departure; the deposit will be deducted from the final hotel bill. AOS will confirm each individual reservation by sending a confirmation email or a fax. AOS only confirm hotel reservation upon receipt of deposit, and requests will be handled according to the date of receipt of the deposit. Incomplete or incorrect forms will not be processed. When the room is booked, it's not possible to change the hotel. All the requests by phone will not be processed.

Important: If you plan to arrive after 7.00 pm., please inform the hotel or AOS at least 24 hours in advance. If you do not show up at your hotel, your reservation will automatically be cancelled. The deposit will not be refunded.

No reservation needed
